Alison,

Thank you very much for the news article link about the weir construction. I just came back office from my one week vacation. I will take a look during my monthly visiting this afternoon.

Thanks,

Weiquan

Weiquan, Carlton, JD –

In case you haven't seen it yet, here's an article on work next week related to the SNWA Weir Construction Dewatering Treatment. It came in this morning from my site-related article search with the EPA library.
